ANNUAL CLUB EVENT	
Autumn Run - 8th September Discussion on plaque design - PL showed #5 which has an MG overlaid on a map with MG keys. Red lettering preferred. PL to try various outlines etc so as not to obscure the map too much. PL to circulate. Map background preferred so to be used as the basis of advertising in Enjoying MG and elsewhere. Priced in line with Cotswold and Bridgend runs at £25 per car. "Proceeds to our local children's charity" to be put on advert and application form. Route is 70 miles. PL plans wave off around 10am from The Bridge Inn to give people time to get a train ride at the East Somerset Railway. The destination to be described as a "place of transport interest and heritage". GB agreed to do photography. Committee run on 23rd August. Someone needs to find a lunch venue if we don't want to use the cafe.	PL GB All
AOB	
SR suggested a donation to people who organise a run to cover fuel etc. GB and others not convinced that this would increase the number of runs. Discussion concluded that this was not a feasible idea but that at every run someone should stand up at lunch and thank the organisers. RD said that he had received a sample pack of plaques etc on behalf of PL. RD/VD to pass to PL.	RD/VD
DATE OF NEXT MEETING	
Wednesday 18th March at PL's sewing room.
