3. F	. Provisional name for event "Strawberries and Steam 2025". Only problem with that name is that										
v	we can't necessarily repeat the "steam" bit in future years.										
	. PL has devised a provisional route and will refine it over the next few months.							PL			
	5. HV will organise afternoon tea.								HV		
	 Provisional end venue is at Mizzymead. Usual room not big enough. Games Room (with Skittle 										
	Alley) a bit gloomy but could be cheered up with some decoration? Need to book it soon as										
	Mizzymead gets busy at end of their sports club's seasons.

	A long discussion regarding this event concluded with a decision that it would still be called the										
Brunel Run, and all advertising would extol the virtues of an excellent day run with a tea at the end											
at Mizzymead, possibly followed by skittles.											
VD has booked the large room at Mizzymead at a cost of £26 for the whole day, we need to arrange						2					
tables and chairs, a discussion with Mizzymead nearer the time when numbers are known.						-					
Raffle as usual.											
PL has arranged for the start to be at the Bridge Inn who will make refreshments available.											
The bar at Mizzymead opens at 18.00.											
Cups and saucers will be required, maybe borrow from croquet club?											
HV to organise plates, cos she wont use paper ones! Also to work out cost of the cream tea.
