## **INFORMATION FOR BRUNEL RUN 2024 - BARTON CAMP - BS25 1DY**

**FULL WEEKEND - FRIDAY 6th - SUNDAY 8th SEPTEMBER -**

**BRUNEL RUN - SATURDAY 7th SEPTEMBER**

Thank you for booking for what we hope will be an enjoyable event. A map is overleaf to guide you to our venue, however if you require any clarification please just ask. Your run pack, which will include any breakfast and Saturday evening meal tickets as appropriate, your rally plaque and run magazine will be handed to you upon arrival.

**Please note that the order of the weekend as far as alcohol is concerned is 'BYO'.** There will be coffee and tea available at all times. **Please bring cash** - an honesty pot will be in place for your donations as this is not priced into the cost of the weekend. You are politely requested to stay out of the kitchen while chefs are in attendance! The fridge in the Harvey Centre kitchen will be available for you to store any wine, drinks, meals etc. There is a swimming pool on site, which is available for our use so don't forget to bring your cozzie! There will be no lifeguard on duty. **You will be responsible for your own safety in the pool** and that of any accompanying children. The pool opening times will be advised in your run pack.

### **FULL WEEKEND BOOKINGS:**

If arriving on Friday please **time your arrival for after 3pm**, there will be no earlier access to the venue. **Entrants who are booked into indoor accommodation will need to bring with them, sleeping bags or quilts & bottom sheets, towels and pillows. All beds are single size.**

If you have pre-booked fish and chips then please plan to arrive before 6pm (if arriving later then please ring **07944 558587** to let us know if you wish us to purchase and keep hot for your arrival).

**Payment for fish and chips must be made on arrival - in cash please - price will not be known until the day.**

Delivery time will be announced around the site as loudly as we can! There are various take-away establishments in nearby Winscombe village for Friday evening if you have not booked for fish and chips.

There will be entertainment on Saturday evening so we hope you will all enjoy the music and keep the dance floor full! On Sunday morning we will offer various activities which may involve small amounts of fund-raising cash so please bring cash with you!

### **SATURDAY RUN ONLY BOOKINGS:**

Entrants arriving on Saturday please feel free to join us any time before 9am, coffee and tea will be available.

**If you have already pre-booked for breakfast it is served from 7.30-8.45am**

If you would like a cooked breakfast this may be **booked in advance**, by calling Pauline on 07944 558587. The cost will be £10 per head.

- It is anticipated that the run will be flagged off from about 9.30 a.m.  
**Your route will either be in your run pack or handed to you as you leave.**
- Mileage has been recorded in a modern car - **it is guaranteed that your mileage will not match!**
- Please observe all signs and speed limits - time is not a factor on the Brunel Run.
- Some of the roads used are narrow and may be badly maintained. On narrow roads, be thoughtful to other road users coming in the opposite direction - give them a break!
- Every care has been taken to check for road closures etc. However, since new ones pop up on a daily basis, there is no guarantee that you will not be diverted off the route. There will be an overview map at the back of the instructions with a list of relevant entries for Google maps on your mobile phone to help you get back on route.

We would advise everyone that there is a **NO SMOKING** and **NO DOGS** policy in force within the environs of the Barton Camp buildings.

Kind regards

Pauline Leverett & Helene Vaughan
