

## LOCK-DOWN TRIP NUMBER TWO - 2020

THIS IS LIKE A TABLE-TOP RALLY BUT USING GOOGLE MAPS INSTEAD OF THE ORDNANCE SURVEY. There is no prize and don't worry about sending in the answers.

**TO OPEN STREET VIEW or SATELLITE VIEW ON GOOGLE MAPS:**

**ON A LAPTOP:** Find the little orange man  (bottom right on a laptop) and click on him to drag him to the road you want to follow (accessible roads will light up in blue. Exit Street View using the arrow at top left of the picture. To change from Map View to Satellite View click on the square icon at the bottom of the map which will be labelled Map or Satellite.

**ON A TABLET:** Tap on the layers icon at the top right of the screen  and a menu will open where you can select Satellite View and Street View. Satellite View shows an aerial shot of the scene and Street View highlights accessible roads in blue. Double tapping on the required blue road takes you into Street View.

There are 16 questions.

**SO..... LET'S GO!!!** [emergency maps at the end!]

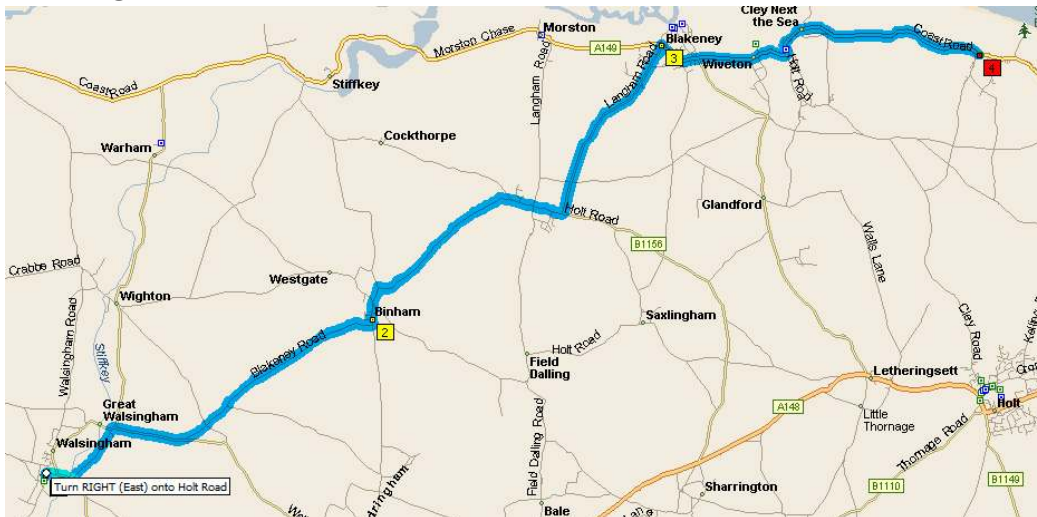

Step 1.	<p><b>PART 1: On Google Maps search for: Black Lion Hotel, Friday Market, Walsingham</b></p> <p><i>Walsingham is famous for its religious shrines in honour of the Virgin Mary. In 1061, according to the Walsingham legend, an Anglo-Saxon noblewoman had a vision of the Virgin Mary in which she was instructed to build a replica of the house of the Holy Family. When it was built, the Holy House in Walsingham contained a wooden statue of an enthroned Virgin Mary with the child Jesus seated on her lap. Among its relics was a phial of the Virgin's milk. Walsingham became one of northern Europe's great places of pilgrimage and remained so through the remainder of the Middle Ages, with a revival in the 20th century.</i></p>	
Step 2.	<p>IN STREET VIEW, THE BLACK LION HOTEL SHOULD BE ON YOUR LEFT HAND SIDE</p> <p><b>Q1. What are the times of food service?</b></p>	
Step 3.	<p>Keeping The Black Lion on your left, TURN RIGHT into Station Road and then TURN LEFT into High Street towards the toilets.</p> <p><b>Q2. What's in the window of the first shop on your left?</b></p>	
Step 4.	<p>Next to the gateway to Walsingham Abbey is a half-timbered building.</p> <p><b>Q3. What will be riding through at 11.15?</b></p>	
Step 5.	<p>TURN RIGHT by what looks like a village lock-up into Common Place and continue into Holt Road, passing the shrine to Our Lady of Walsingham on your left. Follow the wall on your right.</p>	
Step 6.	<p>TURN LEFT into Scarborough Road [sign: Great Walsingham, Binham, Orthodox Church]</p>	
Step 7.	<p>After half a mile, KEEP RIGHT into Hindringham Road which becomes Blakeney Road and then Walsingham Road. After 2 miles TURN LEFT at the T Junction into Front Street, Binham</p> <p><b>Q4. What is the name of the cottage at No. 5?</b></p>	
Step 8.	<p>KEEP RIGHT at the Chequers Inn into Langham Road. Ruins on your left of Binham Priory. Road becomes Binham Road and then Holt Road (in Langham).</p> <p><b>Q5. What flower with a familiar name is found on your right in Langham?</b></p>	

Step 9.	Shortly after this, TURN LEFT onto the B1156 signed to Blakeney. Follow this road for about 2 miles to the junction with the A149	
Step 10.	Cross the main road into Westgate Street – sign to Blakeney Quay and round right hand bend onto The Quay. <b>Q6. If you turn left into the car park, what is the speed limit?</b>	
Step 11.	Opposite the car park, TURN RIGHT into High Street. <b>Q7. Who is welcome at The Harbour Room?</b>	
Step 12.	Continue to the junction with New Road (A149) and TURN LEFT for just over a mile into Cley. Follow the road round to the left and right through the village. Careful – it's very narrow!	
Step 13.	Continue to The Dun Cow at Salhouse where we will take a break. <i>I can't take you to ALL my favourite places in Norfolk by road so we'll take a jump after you've refreshed yourselves in the pub garden.</i>	
Step 14.	<b>PART 2: Using Google Maps, search for Lighthouse Lane, Happisburgh (surprisingly pronounced Hazeborough),</b> In STREET VIEW go to the entrance to Happisburgh Lighthouse and look up the track towards the oldest working light in East Anglia, and the only independently run lighthouse in Great Britain. <i>[Saved as a working light by the local community, it has been maintained and operated entirely by voluntary contributions since 1990. This is one of my very favourite places and, should I ever have some sort of breakdown, you'll probably find me here by the gate.]</i>	
Step 15.	With the lighthouse on your left, continue down Lighthouse Lane to the end and TURN LEFT into Whimpwell Street. Through Whimpwell Green [with a dead tree on the grass triangle – though, mysteriously, some Street View shots from a different angle show the tree ten years earlier when it wasn't dead!]	
Step 16.	KEEP LEFT into Lessingham Road and then KEEP RIGHT into Happisburgh Road. Continue on this road through The Street (in Lessingham) and then Ingham Road. <b>Q8. What bird is on the Grange Farm sign?</b>	
Step 17.	At Ingham Corner, KEEP LEFT into Water Lane. KEEP LEFT into Palling Road (sign Sea Palling) <b>Q9. What colour is the tractor at Manor Farm?</b> <b>Q10. What local flowers are for sale at Cooks Farm Shop?</b>	
Step 18.	Continue into Stalham Road to Sea Palling and through The Street and into Waxham Road. <i>The Domesday Book (1086) records that Palling comprised 9 villagers and 14 smallholders. Its story has been inextricably linked to the sea since pre-history. The town of Waxham Parva disappeared under the waves together with its church. One of the earliest accounts was written about the great storm of 1287 - " .. the sea, agitated by the violence of the wind, burst through its accustomed limits, occupying towns, fields and other places adjacent to the coast .... it suffocated or drowned men and women sleeping in their beds, with infants in their cradles .... and it tore up houses from their foundations, with all they contained and threw them into the sea with irrevocable damage". Several more incursions occurred over the centuries and by 1604 neighbouring Eccles had lost 66 houses and over 1000 acres of land. Just 3 years later Palling's defences were breached and Waxham was flooded in 1655 and 1741. Following continuous breaches, it was not until the 19<sup>th</sup> century that sea defence work was started. The great storm of 31 January 1953 took the lives of 7 Palling villagers - part of the 100 who perished in Norfolk alone. [You will see that, despite this history, houses have continued to be built here in recent years!]</i>	

Step 19.	<p>After the turning leading to The Beach –</p> <p><b>Q11. What cargo is on the white pick-up parked on the left opposite the building with scaffolding?</b></p> <p><b>Q12. How many people are walking the dog?</b></p>	
Step 20.	<p>Continue on this road as it becomes Church Road and pass the magnificent Waxham Barn on your left.</p> <p><i>Waxham Barn was built in the last quarter of the 16th Century and was repaired and restored by Norfolk County Council following compulsory acquisition during the early 1990s. You can get married there but I suppose many of us are past that need!</i></p>	
Step 21.	<p>Continue for 3 miles until you pass Horsey Windpump. Or jump forward by using Google Maps to search for: National Trust - Horsey Windpump. A lovely spot where you can stop for a cup of tea or an ice cream.</p>	
Step 22.	<p>Continue beneath blue skies along Horsey Road for 2.5 miles to The Lion at Somerton. TURN RIGHT [sign Great Yarmouth, Martham] into Martham Road.</p> 	
Step 23.	<p>Skip quickly along Martham Road, into Somerton Road and into Martham (White St) with its extensive village green.</p> <p><b>Q13. What is opposite the Kings Arms in Martham?</b></p>	
Step 24.	<p>Continue into Repps Road.</p> <p><b>Q14. What's the rather fanciful name of the newsagent?</b></p>	
Step 25.	<p>When you reach the A149 (High Road) TURN RIGHT [sign Cromer, Potter Heigham]</p>	
Step 26.	<p>Continue 1.3 miles to:</p>  <p>and TURN LEFT [sign Potter Heigham Bridge].</p> <p>Follow The Causeway and then Bridge Road to Potter Heigham Bridge.</p>	
Step 27.	<p>The lights will conveniently change to green just as you get to the bridge. Go carefully over the bridge – it's VERY narrow but with a rare view of the Norfolk Broads (not many roads actually give good access).</p>	

Step 28.	This road becomes the A1062/Ludham Road. Follow it or skip forward to Ludham (Yarmouth Road). Go left and right in Ludham. <b>Q15. Which supermarket is delivering by the church?</b>	
Step 29.	Continue on 1.5 miles to Ludham Bridge (Norwich Road) for another watery view.	
Step 30.	Skip 4.5 miles along the A1062 (which is only moderately scenic) to the double roundabout junction with A1151 at Hoveton and TURN LEFT [sign: Norwich, Wroxham]	
Step 31.	Next to Hoveton Police Station there is a supermarket on your left called Roys ( <i>almost every other shop in Wroxham is called Roys!</i> ) <b>Q16. What is this supermarket's claim to world fame?</b>	
Step 32.	You're almost at the end now. Through the pedestrian lights, pass McDonald's and up onto Wroxham Bridge with its view of this busy waterway.	
Step 33.	Pass the Tourist Information & Activity Centre on your right and at the end of the fence on your right is a building (David Wall) where you might want to peek through the windows.	
Step 34.	Now park up in the car park opposite and stretch your legs with a well-earned stroll by the water. <b>WELL DONE AT REACHING THE END OF ANOTHER WEIRD AND WONDERFUL TRIP!</b>
